WHY IT MATTERS

EmpowerHer addresses the systemic barriers preventing girls from accessing education and achieving their full potential.

79% of Burkinese girls reported being afraid when experiencing their first period (BARKA). For only ...

€ 10 we can supply one washable, reusable menstrual kit to a girl, lasting up to 3 years

€ 500, 200 students have access to hygiene education and soap, and

€5'000 a block of three tiled latrines can be built, providing the girls with safe and private facilities.

WHO ARE WE?

Rotary Club Utrecht International is a vibrant community of active individuals hailing from diverse cultural backgrounds worldwide. Our guiding motto "Sharing a cross-cultural experience" reflects our commitment to fostering understanding and cooperation through the exchange of varied perspectives. Established in 2005, our club currently boasts around 30 members and is actively seeking expansion. Our biweekly Tuesday evening gatherings featuring dinner, project discussion, and enlightening presentations from guest speakers, provide a platform for members to connect and engage.
